ABOUT US

Here at The Blonde & The Brunette® we’re agents of style & beauty®. Recently named LV Magazine’s “2014 Style Icon”, NJ Goldston, The Brunette, founded her Webby award-winning site, in the Fall of 2010 from her front row seat at a Prada Runway show.

The Beverly Hills-based blog is designed to be a quick daily dose of fashion, beauty, celebrity style and life in L.A. With a stylistically diverse group of B & B, celebrity and guest contributors, who each have their own distinct point-of-view on the ever-changing fast-paced worlds of style and beauty, The Blonde & The Brunette definitely has a take on everything. We always have a bit of fun as we share it, and more often than not, we find our followers love and covet the same things.

With a global following in over 100 countries as well as being well-known, established influencers, The Blonde & The Brunette reports from the front lines of fashion, attends some of the most exclusive events in the world, and delivers the unexpected. It is now internationally recognized and read as one of the best & brightest and was recently dubbed by Barney’s “The Window” as their “go to must read.”

In no time at all, The B & B has become just as important as a morning cup of coffee.
As The Brunette, NJ is internationally recognized as a fashion trendsetter, style icon, and often referred to as the “Daphne Guinness of the West Coast.” NJ was recently named a “Style Icon” by Louis Vuitton and recognized as one of LA’s “Leading Ladies of Style” by Angeleno Magazine. For the past five seasons, NJ has also been a featured cast member on the #1 reality show in Belgium, Astrid In Wonderland. In 2012, she was honored as one of the top 10% viewed profiles out of LinkedIn’s 200 million members. As a fashion journalist, she has interviewed everyone from Alber Elbaz, Olivier Theyskens, Rachel Zoe, Derek Lam, Thakoon, the Missonis, Jason Wu, J.W. Anderson, Mary Katrantzou, and Giuseppe Zanotti to Milla Jovovich. She also regularly attends and covers events such as the Met Gala as a contributor for The Hollywood Reporter, C Magazine and C Social Front. Although her first love is fashion, she is well-known in the creative community as a member of the by-invitation-only International Academy of Visual Arts (IAVA), the International Academy of Digital Arts & Sciences (IADAS), a six-time Webby Judge and five-time winner, and member of The Metropolitan Museum’s Friends of The Costume Institute. She is a graduate of the NYU Tisch School in Film and Television, NYU College of Arts & Science in Journalism and holds an MBA in Marketing and Economics from the NYU Stern School of Business. As a branding and marketing expert, NJ has worked in the entertainment industry for MGM and Universal Studios as well as created brand imaging for major clients world-wide including the fashion industry. She is a Board Member of MOCA, the Otis College of Art and Design Benefit & Fashion Committee. She’s been honored by Big Brothers Big Sisters and Aviva as the Innovator of The Year Honoree for The Blonde & The Brunette. You can often find her front row at runway shows from Lanvin, Prada, Louis Vuitton, and Chanel, sitting at her laptop at 1 AM or working with the stylistically diverse group of B&B contributors.
